

Friday 2nd October 2020

Dear Parents and Carers,

October marks Black History Month: our celebrations have started but we do not believe Black History should just be taught in a month. We are looking at our whole curriculum, including our history curriculum across the year, to ensure that is representative of all histories. We have already changed the texts that children are learning about in Reading and English lessons so that they are more diverse. We are prioritising our anti-racism work and teaching the children about white privilege. This is a long-term commitment for us at Ashmount. If you would like to be involved in this work or have helpful contacts, please contact Emma, our History Lead, or myself through the school office.

A few reminders to all parents about collecting children at the end of the day, firstly we must insist that only one adult does this to ensure no overcrowding in the playground. Also all adults must wear a face covering when coming to collect children to keep everyone safe. Additionally, when adults are collecting children from Year 1 and Year 2 please wait patiently for the staff to release your child and do not call them out as we must be clear who is taking a child to ensure everyone is safe. Finally, if you are asking a family member/friend to collect your child at the end of the day you must let the office know first in good time.

You may have noticed we are advertising a Year 1 teacher post—if you know any fabulous teachers who may want to join the amazing team at Ashmount then please pass on the link here:

Similarly, during lockdown we have sadly had a few families who have left the school due to moving house and we now have spaces in Reception, Year 1, 2, 3, 5 and 6. This is unusual for Ashmount but if you have any friends who would like to join our fabulous community please spread the word!

As we do our best to limit the effects of this Covid-19 pandemic we are today issuing a letter from the NHS about when to book a test. But we are also including links about this autumn's flu vaccination programme we are urging all families to sign up to have their child vaccinated to minimise the risk of more absences from school but also to ensure there is less confusion about symptoms during this complicated time. We as a school are similarly ensuring the school staff team are vaccinated. Vaccinations for Reception to Year 6 will take place on Thursday 5th November.

Finally, tomorrow Monday 6th sees the annual visit of the school photographer to take individual child photos in school.

Best wishes and stay safe, Anthony Carmel (Headteacher)

Friday Night Take Away

St Mary (Ashley Road, NI9 3AD) offer a **takeaway on Friday** evenings for anyone in need of a hot meal.

Whether you are struggling to put food on the table, or struggling to cook, or are just in need of some extra support at this time. Takeaway provides both meat and vegan options, and all you have to do is message us to be included. We will ask you for your name, mobile number, family size and any dietary requirements.. Every Wednesday, for as long as you want to receive the messages, you receive a text asking if you want a meal and you simply have to reply "yes 3 meals please" or yes "5 meals". We then know if you want vegan or meat, and you are welcome to ask other questions. To sign up please either email takeaway@smhr.org.uk or text [07581340796](tel:07581340796) or call them on [020 7916 2710](tel:02079162710) and leave a message for Tamsin (our Vicar) and the team if we aren't in.

Friday Night Takeaway meals are collected between 4 and 6pm. If for some reason you are unable to collect the food that week please let us know as soon as you can, so we can give it away to someone else in need.

Primary Catch Up Lessons Online

Home schooling may not have been easy and, however hard we have tried, there are key concepts that children will have missed. We are working hard in school to help children make up this learning. The BiteSize lessons can also help them catch up in English and Maths.

Poster competitions!

Two poster competitions to take part in

1. Met Police Commissioner's Christmas Tree Project!

We would like to invite your children to get creative and design the poster that will advertise the appeal across London. The Commissioner's Christmas Tree Project gives a present to a child in each London borough who might not otherwise receive one.

There is no theme in particular for this year allowing full creative art work. The poster competition picture needs to be designed on an A4 size paper. Children can be as creative as they wish. Name and school should also be provided for all submitted pictures.

Children are asked kindly to submit all competition posters by **Friday 9th October**. Please give your entry to your class teacher.

The overall winning poster will be advertised internally and externally starting the campaign. The poster winner will have the opportunity to meet the Commissioner.

2. Clean Air Poster Competition

A friendly reminder that the Clean Air poster competition launches TODAY! All the details are attached in a pdf.

All entries must be handed into your child's class teacher by **Monday 5th October**.
