

Core Subjects

English

Core Texts:

- Journey to Jo'Burg – Fiction writing
- The Lion and the Unicorn and other hairy tales - Non-fiction writing

Our whole class reading text will be
My Friend Walter by Michael Morpurgo

Maths

Statistics - to draw and read picture graphs, bar graphs and line graphs.

Fractions – to count in hundredths, write mixed numbers and show them on a number line, find equivalent fractions, simplify fractions, add and subtract fractions and solve word problems involving fractions.

Science

States of Matter

- Compare and group materials together, according to whether they are solids, liquids or gases.
- Observe that some materials change state when they are heated or cooled.
- Evaporation and condensation

Year 4 Topic: Empires

Personal Development

PSHCE

We will be learning about 'What is important to me'. We will think about physical health and wellbeing.

R.E

We will be learning about why festivals are important to religious communities.

Computing

We will think about online safety and using technology responsibly and understand that communication online may be seen by others.

We will then be focusing on multimedia and digital writing on google slides.

Foundation Subjects

History/Geography

History:

We will be learning about empires, specifically the British Empire.

Key learning:

1. Where and when did the British Empire exist?
2. How should we remember the British Empire?

The Arts

Art / D&T

Every Picture Tells a Story - Analysing famous artists' work.

We will learn about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Music

Violin lessons and Charanga Glockenspiel stage 2 Unit

Physical Education and French

P.E

Indoor: Dance

Outdoor: Football
