

Core Subjects

English

Reading

We will be reading 'Varjak Paw' during our whole class reading sessions.

Writing

We will be focusing on the Y6 objectives using the text 'Suffragette: Fight for Equality' to write persuasive texts and newspaper reports.

Maths

Children will add and subtract decimals and multiply decimals by whole numbers. They will focus on converting decimals to percentages and apply their knowledge of this to solve algebra problems.

Science

Electricity

Children will recall the symbols for circuit diagrams and construct simple circuits using different components. They will explain how circuits work and investigate a variety of circuits. Children will find out about alternative forms of energy.

Year 6 Topic: Protest and Uprising

Personal Development

PSHCE

Children will learn about 'Identity, Society and Equality' with a main focus on 'Human Rights'.

R.E

Children will focus on the key question: 'What do religions say to us when life gets hard?'

Home Learning

Children will have access to additional learning through homework assignments focusing on:

- Reading (fiction, non-fiction and poetry)
- Maths

Foundation Subjects

History/Geography

Children we will learn about protest, demonstration and revolutions throughout history and how these changed the world and brought important issues to people's attention.

As part of this history focus, we will explore, compare and discuss topics such as: the suffragist's movement, civil rights protests as well as the current discussions and demonstrations around the Black Lives Matter movement.

The Arts

Music – Classroom Jazz

- Play and perform in solo and ensemble contexts, using voices and playing instruments with increasing accuracy, fluency, control and expression.
- Listen with attention to detail and recall sounds with increasing aural memory
- Use and understand staff and other musical notations
- Develop an understanding of the History of Music

Physical Education and French
