

## Core Subjects

### English

**Phonics** – daily phonics with progression of set sounds.

**Reading and Writing** – within phonics sessions children will focus on letter formation; sounding out and spelling words; holding and writing a sentence; building and writing a sentence.

**Handwriting** – taught writing sessions.

### Maths

- Solving one-step problems involving multiplication and division.
- Recognising, finding and naming a half as one of two equal parts and a quarter as one of four equal parts of an object, shape or quantity.

### Science

Materials:

- Learning how to tell the difference between an object and what it is made from.
- Making a flying machine.
- Asking questions and devising simple tests to answer these.

## Year 1 Topic: School Days

### Personal Development

#### PSHCE

We will be learning about our feelings and how to manage these, including coping with anger and loss.

#### R.E

We will be discussing the topic of belonging to a group or faith community.

### Computing

We will be learning to code a sequence to move a robot.

We will debug our codes to solve any problems we encounter.

### Foundation Subjects

#### History/Geography

This half term our topic will be 'School Days.' We will be learning about schools in the past and in the present, and schools around the world.

We will focus on schools from the Victorian times and think about what is different today.

#### The Arts

Art / D&T

Learning about sculpture and collage using the natural world for inspiration.

Learning about the work of William Morris and patterns.

Music We will be focusing on keeping a beat and rhythm as well as building our confidence performing to our peers.

#### Physical Education and French

P.E

Indoor: Jumping. Learning how to bend knees to land safely and use arms to jump high or far.

Outdoor: Games for understanding: learning about key terms attack and defend.

French

Listening to and learning different songs and rhymes.
