

## Core Subjects

### English

#### Core Texts:

- In year 4 we will be participating in Writing through Art project. We will study a painting a week from the Kenwood collection for four weeks.

Our whole class reading text will be:

Pebble in my pocket by Meredith Hooper

Stone age boy by Satoshi Kitamura

### Maths

Money – we will record and compare amounts of money.

Mass, volume and Length – we will learn to estimate and measure mass, volume and length.

Measuring area- we will learn the concept of perimeter and area

### Science

#### Living things and their habitats

- Describe the life process of reproduction in some plants and animals
- Describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird

## Year 4 Topic: Meet the Flintstones (Britain in the Stone, Iron and Bronze Age)

### Personal Development

#### PSHCE

We will be learning about 'Growing up and Changing' linked to relationships and health education.

#### R.E

Why do some people think that life is like a journey and what significant experiences mark this?

### Computing

We will think about online safety and using technology responsibly and understand that communication online may be seen by others.

We will then be focusing on programming and using scratch to build dialogue.

### Foundation Subjects

#### History/Geography

#### History:

We will be learning about Britain in the Stone, Iron and Bronze Age.

#### Key learning:

- To recognise that archaeologists have helped us learn about the past
- To use AD/BC, decade, century, ancient, civilisation accurately
- To explain how an item/artefact/source helps build a picture of the past

#### The Arts

#### Art / D&T

We will be exploring electrical systems and torches.

#### Music

- Children will explore creating compositions.
- Children will continue their violin lessons.

#### Physical Education and French

#### P.E

Indoor: Problem Solving  
Outdoor: Athletics

#### French

En Famille
