- Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.
- Identify and describe the basic structure of a variety of common flowering plants, including trees.

Year 1 Topic: The Great Outdoor Explorers

Personal Development

PSHCE

We will be learning about money and how to save it. We will find out about different jobs people do.

R.E

This term we will be discussing what it means to belong to a faith community.

Computing

This term we will focus on Programming and think about how to code using algorithms.

We will also revisit online safety.

Foundation Subjects

History/Geography

History:

- Learn about the history of the Parkland Walk as a railway.

Geography:

- Looking at a bird's eye map of the parkland walk - what would you add along the trail and why?
- How can we make Parkland Walk our playground?

The Arts

Art / D&T

We will be learning about structures and creating our own in the form of windmills. We will also be exploring food technology.

Music

We will be exploring sound colours through tempo, dynamics and texture.

Physical Education and French

P.E

Indoor: Developing good teamwork skills through various games.

Outdoor: Our Health and Wellbeing unit will develop children's understanding and ability to develop agility, balance and hand eye coordination skills important in so many physical activities.
