

Curriculum intentions	Our values	Community			Responsibility			Growth					
	<p>The intent of our curriculum is to ensure that our students experience an ambitious breadth of study.</p> <p>By the end of Key Stage 2, children will have:</p>	Secured the essential knowledge they need to be educated and global citizens	Engaged with all of the subjects set out in the National Curriculum in meaningful ways	Experienced and explored a wide range of cultures and their beliefs, traditions and ideals	Developed their social and emotional skills with access to therapeutic support	Attended a rich variety of educational visits and a 4 night residential	Immersed in regular live musical performances	Participated in competitions and debates with their peers and pupils from other schools	Fundraised for worthy causes and engaged with community events	Showcased their learning and celebrated their successes and achievements	Performed in front of different audiences showcasing their creativity	Shared their learning with parents/carers in meaningful ways	A range of opportunities to develop themselves as student leaders with strong independence skills
Teaching intentions	Our teaching intentions are:	To make the purpose of the learning explicit	To promote a love of learning	To effectively build on children's prior learning	A consistent approach to teaching and behaviour	High quality modelling	Targeted questioning	Challenge for all and support where necessary	Continuous formative assessment	Using high quality resources and stimuli			
	Our provision is informed by research:	Learning is a change to long term memory	Teaching is based on a clear understanding of learning through regular CPD	Growth Mindset philosophy	Classroom environments inspire pupils	An inclusive culture	Regular feedback is given to pupils	Strong relationships are built with children and their families	Pupils learn in mixed attainment classes				
Implementation	<p>Our curriculum has been carefully planned and organised, making children's learning experiences relevant to their lives and the real world.</p>	Communication and language	Physical development	Personal, Social and Emotional Development	Literacy	Mathematics	Understanding the world	Expressive Arts and Design					
		English	Maths	Science	History	Geography	Art	Design & Technology	PSHE	SMSC	Music	PE	Computing
Impact	<p>Our curriculum is ambitious for all pupils and aims to develop the holistic child.</p>	Educational visits	Visitors and workshops	Assemblies	Extra-curricular clubs	Themed weeks	Community events	Interventions					
		<p>Children, staff and the wider community display our school values in the way they learn, behave, act and communicate.</p>	<p>Children attain highly and make sustained progress that is at least in line with but often better than national and LBI expectations.</p>	<p>Children, staff and the wider community are invested in the Growth Mindset theory and learn from the mistakes they make.</p>
