COMPLAINTS POLICY

i. INTRODUCTION

Ashmount Primary School values feedback from parents, carers and members of the local community about services relating to the school, including complaints. Dealing with complaints can help the school and the governing board to improve services. The procedures below set out how we will consider complaints fairly and in a timely manner.

Taking informal concerns seriously can help to resolve issues on the spot and reduce the number of concerns that turn into complaints. If this is not possible, we aim for complaints to be dealt with before they become serious.

At all stages our goal is achieve reconciliation – to establish with you what you would see as a satisfactory outcome for you and to deliver that outcome or explore what alternative outcomes are possible.

ii. LEGAL CONTEXT

We are required to establish procedures for dealing with all complaints relating to the school including the provision of facilities or services by the school.¹ We have to have regard to the guidance produced by the Secretary of State.²

We must make sure that any **third party providers** offering services through the school premises, or using school facilities, have their own complaints procedure in place, for example an external provider of after school services.

We are required to publish the policy and procedures on the school's website (*not a requirement for maintained nursery schools*).

iii. GOVERNING BOARD REPORTING AND REVIEW

Scheduled Review and Updated Guidance from the DfE

The policy and procedures will be reviewed every three years but any governor with concerns about its operation can request that it is reviewed at any time.

The policy and procedures will also be reviewed if and when new guidance or legislative changes are introduced by the Department for Education.

Governing Board Monitoring

The level and nature of complaints will be reported to the governing board as part of the governing board's role in overseeing the operation of the school.

However, the details of an unresolved complaint or a complainant's information must not be discussed by the governing board in case a Complaints Committee meeting needs to be held.

The exception to this is when a complaint is made against the whole governing board and they need to be aware of the allegations made against them so they can respond to any independent investigation.

Governing Board Reporting and Review

The outcomes of complaints will be reported to the governing board for review so that the governing board can:

¹ s. 29(1)(a) of the Education Act 2002

² s. Best practice guidance for school complaints procedures 2019.

- examine the effectiveness of the Complaints Policy and Procedures and consider any improvements; and
- identify any issues that need to be addressed and consider any improvements to school policies or procedures.

Local Authority (LA) Reporting

The school may be requested to provide statistics on complaints so that overall monitoring can be carried out to advise all schools and the authority on improvements to practice.

The LA may also require details of any complaint and its consideration in order to answer formal enquiries from the Department for Education or others. The school will be consulted before any response to such enquiry is made.

COMPLAINTS PROCEDURES

A. Summary

Informal: concerns or complaints raised directly with staff / headteacher.

If not resolved, move to formal procedures

Formal:

Stage 1: investigation – decision on whether or not to uphold complaint.

Stage 2: complainant can appeal if dissatisfied with outcome of Stage 1 – usually a committee of governors will consider the appeal.

See Table A below summarising who will manage Stage 1 and Stage 2 depending on the subject of a complaint.

B. Who can make a complaint?

As well as parents or carers of pupils registered at the school, anyone, including members of the public, can make a complaint about any provision of facilities or services that we provide.

C. The difference between a concern and a complaint

A concern may be defined as, 'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'. A complaint is generally recognised as 'an expression or statement of dissatisfaction about actions taken or a lack of action'.

D. How to raise a concern or complaint (Informal Stage)

Concerns and complaints can be raised in person, in writing or by telephone.

If you have a concern or complaint, in the first instance please raise it directly with the member of staff concerned (e.g. class teacher). If you have difficulty discussing a concern or complaint with a particular member of staff, you should let the Headteacher or School Business Manager know, and they will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern or complaint, the Headteacher/School Business Manager will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively is more important.

E. How to make a Formal Complaint

If you feel that your concern or complaint (at Informal Stage) has not been resolved and you wish to take it further, you must make your complaint in writing. Complaints can also be made by a third party acting on your behalf, as long as they have appropriate consent to do so.

Please do not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

Please use the **template complaint form which is included as Appendix F**. If you need help in completing the form, please contact the school office. You can also ask third party/external organisations like the Citizens Advice Bureau to help you.

In accordance with equality law, we will consider making reasonable adjustments if needed, to help you access and complete this complaints procedure. For instance, providing information in alternative formats, assisting you in raising a formal complaint or holding meetings in accessible locations.

See Section M, page 6 for more details on how to make a formal complaint.

F. Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will decide whether the complaint should be investigated.

G. Your right to confidentiality

All people involved in the complaints process must respect your right to confidentiality. For the purposes of the prevention, investigation, and detection of safeguarding issues, the right to confidentiality may be waived in some circumstances.

H. Timescales, including impact of school holidays

Complaints must be made within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

A complaint made outside of term time will be considered to have been made on the first school day after the holiday period. Similarly, the time frames within the formal procedures will relate to 'school days', so excluding school holidays, weekends and bank holidays.

I. What you can complain about

You may make a complaint about most areas of the school including any community facilities or services the school provides. This can be in relation to the headteacher or other member of staff, individual governors, a number of the governors or the whole governing board.

However, there are separate procedures that need to be followed for the following areas (see Appendix D for more details on how to follow those separate procedures):

- Admissions
- Statutory assessments of Special Educational Needs
- School re-organisation proposals
- Matters likely to require a Child Protection Investigation
- Exclusion of children from school
- Whistleblowing
- Staff grievances
- Staff conduct
- Complaints about services provided by other providers who may use school premises or facilities
- National Curriculum – content.

If other organisations such as the police, local authority (LA) safeguarding teams or tribunals are investigating aspects of your complaint, this may impact on our ability to meet the timescales within the procedure or result in the procedure being suspended until those public bodies have completed their investigation.

You may [complain to Ofsted](#) if you think a school is not run properly. But you must have already followed the school's complaints procedure before you can do this.

J. Serial and unreasonable complaints

Please see Appendix E - Policy of [school] in relation to serial and unreasonable complaints – to see how we will manage such complaints.

K. Resolving complaints

At each stage in the procedure, [Ashmount Primary School](#) wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

L. Withdrawal of a complaint

If you wish to withdraw your complaint, we will ask you to confirm this in writing.

M. Stages of processing a formal complaint

Stage 1 usually entails an investigation by an appropriate person and a decision as to whether or not to uphold a complaint and/or to offer the other outcomes as listed above.

Stage 2 usually entails a committee meeting of governors from the school or from another school with no previous involvement or if against the governors a committee meeting of governors from another school, to consider an appeal against the outcome/s of Stage 1. This may or may not lead to a hearing to which you are invited.

Table A – Summary of who usually deals with Formal Complaint Stages 1 and 2

Stages	Against staff	Against Headteacher	Against one governor	Against all governors
Stage 1	Headteacher to deal with	Suitably skilled governor to deal with*	Suitably skilled governor to deal with*	Independent investigation
Stage 2	Governors' Committee	Governors' Committee	Governors' Committee	Governors from another school

** See below in relation to independent investigation instead of governor dealing with Stage 1*

Stage 1

Complaint against member of staff

- 1.1. Please make a formal complaint to the Headteacher (unless it is about the Headteacher), via the school office. You must do this can do in writing (preferably on the Complaint Form, Appendix F). Please mark as Private and Confidential.
- 1.2. You should be provided with a copy of the Complaints Policy and Procedure and the procedure should be explained to you.
- 1.3. The Headteacher will record the date the complaint is received and will acknowledge receipt of your complaint in writing (either by letter or email) *within five (5) school days*
- 1.4. Within this response, the Headteacher will try to clarify the nature of the complaint, ask what remains unresolved and what outcome you would like to see. The Headteacher can consider if a face-to-face meeting is the best way of doing this.
Note: The Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.
- 1.5. During the investigation, the Headteacher (or investigator) will:
 - if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
 - keep a written record of any meetings/interviews in relation to their investigation.
- 1.6. At the conclusion of their investigation, the headteacher will provide a formal written response within *fifteen (15)* school days of the date of receipt of the complaint. If the headteacher is unable to meet this deadline, they will provide the you with an update and revised response date.
- 1.7. The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions *Ashmount Primary School* will take to resolve the complaint.
- 1.8. *(Not in DfE guidance) The Headteacher may offer to meet you to discuss the findings of the investigation with the aim of achieving reconciliation between the school and yourself using the Resolution Principles set out on Appendix B*
- 1.9. The Headteacher will advise you of how to escalate your complaint if you remain dissatisfied with the outcome of Stage 1.

Complaint against headteacher or a member of the governing board

- 1.10. Complaints about the Headteacher or a member of the governing board (including the chair or vice-chair) must be made to the Clerk to Governors, via the school office, ideally using the Complaints Form (Appendix F). Please mark as Private and Confidential.
- 1.11. The clerk will record the date the complaint is received and will acknowledge receipt of your complaint in writing (either by letter or email) *within five (5) school days* .
- 1.12. A suitably skilled governor will be appointed to carry out an investigation at Stage 1. *Guidance from LA – If there is no suitably skilled governor available, the GB can consider appointing an independent investigator to carry out the investigation. A professionally conducted investigation by someone with no involvement in the school can help to resolve the complaint and avoid*

escalation. LBI Governor Support Service may be able to offer assistance with this.

- 1.13. At the conclusion of their investigation, the investigator (governor or independent investigator) will provide a formal written response within **fifteen (15)** school days of the date of receipt of the complaint.
- 1.14. *The investigator may offer to meet you to discuss the findings of the investigation with the aim of achieving reconciliation between the school and yourself using the Resolution Principles set out on Appendix B.*
- 1.15. The investigator will advise you of how to escalate your complaint if you are dissatisfied with the outcome of Stage 1.

Complaint against chair and vice-chair, majority of or entire governing board

- 1.16. Complaints against the chair and vice-chair, majority of or entire governing board must be made to the Clerk to Governors, via the school office, ideally using the Complaints Form (Appendix F). Please mark as Private and Confidential.
- 1.17. The clerk will record the date the complaint is received and will acknowledge receipt of your complaint in writing (either by letter or email) within five (5) school days.
- 1.18. Stage 1 will be considered by an independent investigator appointed by the governing board.
- 1.19. At the conclusion of their investigation, the investigator (governor or independent investigator) will provide a formal written response within **fifteen (15)** school days of the date of receipt of the complaint.
- 1.20. *The investigator may offer to meet you to discuss the findings of the investigation with the aim of achieving reconciliation between the school and yourself using the Resolution Principles set out on Appendix B.*
- 1.21. The investigator will advise you of how to escalate your complaint if you are dissatisfied with the outcome of Stage 1

Stage 2

- 2.1. You will need to make a request to escalate to Stage 2 to the Clerk to Governors, via the school office, within **twenty (20)** school days of receipt of the Stage 1 response.
- 2.2. The clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email).

Governors' Complaints Committee meeting

- 2.3. Stage 2 generally involves a meeting with members of the governing board's complaints committee, formed of the first three, impartial, governors available. If there are fewer than three governors from **Ashmount Primary School** available, the clerk will source additional, independent governors through another local school or through their LA's Governor Services team, in order to make up the committee.
- 2.4. If the complaint is jointly about the chair and vice-chair, the majority of or the entire governing board, Stage 2 will be heard by a committee of independent governors.
- 2.5. Prior to the meeting, they will decide amongst themselves who will act as the chair of the complaints committee

- 2.6. The aim is to hold the meeting within twenty (20) school days of the clerk being notified of your request for the complaint to go to Stage 2.
- 2.7. The clerk will inform you as the complainant, the subject of the complaint and the investigator of the date of the governors' committee meeting and will invite you and the subject of the complaint to submit any further documentation you would like the governors to consider – to be sent to the clerk at least ten (10) school days before the committee meeting. These documents will be sent to the governors at least five (5) school days before the committee meeting.
- 2.8. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.
- 2.9. The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure
- 2.10. At the committee meeting, the governors will consider the outcome of Stage 1, along with any new documentation and decide:
- 2.8.i. to uphold or not uphold, in part or in whole, the outcome of Stage 1, OR
2.8.ii. that further investigation is needed and so to adjourn the committee meeting – to reconvene once further investigation is completed, OR
2.8.iii. that a hearing is needed, at which you as complainant, the subject of the complaint and the investigator from Stage 1 should be invited to speak, with or without further investigation.
- 2.11. If the committee reaches a decision, the chair of the committee will write to inform you, within five (5) school days of the meeting:
- of the decision to uphold or dismiss the complaint in whole or in part;
 - of the reasons for the decision;
 - of any key findings of fact;
 - of any action taken or proposed to be taken to resolve the complaint;
 - of any recommended changes to the school's systems or procedures to ensure that problems of a similar nature do not recur;
 - that the decision of the committee is the final school-based stage in the complaints procedures and that no further consideration of the substance of the complaint is possible; and
 - that you can appeal to the Secretary of State – see below.
- 2.12. For complaints that are complex or involve voluminous material, the timescale for informing you of the committee's decision can be extended by notifying you in writing of the extension.

Complaints hearing

- 2.13. If the committee decides to hold a hearing, the clerk will write to you to inform you of the date. The clerk will aim to convene a meeting within **twenty (20)** school days of the Complaints Committee meeting, and to give you ten (10) school days' notice of the meeting. If this is not possible, the clerk will provide an anticipated date and keep you informed.
- 2.14. The date, time and venue of the meeting will need to be convenient to all parties and the venue and proceedings will need to be accessible
- 2.15. If you do not accept the offer of three proposed dates without good reason, the clerk may decide when to hold the meeting. It will then take place in your absence on the basis of written submissions from both parties.
- 2.16. The clerk will request that you and the person or people against whom you are complaining provide any further written material to be submitted to them at least **seven (7)** school days before the meeting.

- 2.17. Any further written material will be circulated to all parties at least **four (4)** school days before the date of the meeting.
- 2.18. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.
- 2.19. The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

Witnesses

- 2.20. If you are invited to attend the meeting, you may bring someone along to provide support. This can be a relative or friend. Generally, the Department for Education does not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate. For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.³
- 2.21. The names of any witnesses to be called by you or by the person or people against whom you are complaining should be notified to:
- the clerk – seven (7) school days before the meeting; and
 - the committee, yourself (the complainant) and the headteacher – at least four (4) school days before the meeting – the clerk will inform everyone.
- 2.22. Children at meetings – see Appendix A Roles and Responsibilities – Committee Member
- 2.23. Representatives from the media are not permitted to attend.
- 2.24. The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be obtained before meetings or conversations take place. Consent will be recorded in any minutes taken.

Adjournment

- 2.25. The introduction of previously undisclosed evidence or witnesses can be a reason to adjourn the meeting so that the other side has the time to consider the situation.
- 2.26. For complaints that are complex, involve voluminous material or take a long time to hear, the committee may make any necessary adjournments and reconvene at a later date or dates.

See Appendix C for more details of how the meeting will be conducted.

- 2.27. The committee will consider the complaint and all the evidence presented. The committee can:
- uphold the complaint in whole or in part
 - dismiss the complaint in whole or in part.

What happens after the meeting

- 2.28. The chair of the committee will write to inform you:
- of the decision to uphold or dismiss the complaint in whole or in part;
 - of the reasons for the decision;

³ *Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them*

- of any key findings of fact;
- of any action taken or proposed to be taken to resolve the complaint;
- of any recommended changes to the school's systems or procedures to ensure that problems of a similar nature do not recur;
- that the decision of the committee is the final school-based stage in the complaints procedures and that no further consideration of the substance of the complaint is possible; and
- that you can appeal to the Secretary of State – see below.

2.29. The chair will write to you within five (5) business days of the end of the meeting.

2.30. For complaints that are complex or involve voluminous material, the timescale for informing you of the committee's decision can be extended by notifying you in writing of the extension.

Record of the Meeting

2.31. The committee clerk will be responsible for recording the minutes of the meeting and will send the draft minutes to all parties within twenty (20) school days after the meeting to provide the parties with the opportunity to agree the minutes or challenge any part of the minutes.

2.32. The school/complaints officer will ensure that all records of the matter are stored at the school and that the outcome of the complaint and any changes to the school's systems or procedures are communicated to the governing board, in liaison with the clerk to governors.

N. NEXT STEPS

3.1. If you believe the school did not handle your complaint in accordance with the published complaints procedure or we acted unlawfully or unreasonably in the exercise of our duties under education law, you can contact the Department for Education after Stage 2 is completed.

3.2. The Department for Education will not normally reinvestigate the substance of the complaint. They will consider whether the school has adhered to education legislation and any statutory policies connected with the complaint.

3.3. You can refer your complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Department for Education
Piccadilly Gate
Store Street
Manchester
M1 2WD.

Appendix A - Roles and Responsibilities

Complainant

You will receive a more effective response to the complaint if you:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of your complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the Headteacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Headteacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator (this could be the Headteacher / designated complaints governor or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, headteacher, chair of governors, clerk and local authority (if appropriate) to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Clerk to the Governing board

The clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaints procedures are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the hearing, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example; Stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the hearing
- notify all parties of the committee's decision.

Committee Chair

The committee's chair, who is nominated in advance of the complaint hearing, should ensure that:

- both parties are asked (via the clerk) to provide any additional information relating to the complaint by a specified date in advance of the hearing
- the hearing is conducted in an informal manner, is not adversarial and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a hearing are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the hearing

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the hearing is minuted
- they liaise with the clerk (and complaints co-ordinator, if the school has one).

Committee Member

Committee members should be aware that:

- the meeting/hearing must be independent and impartial, and should be seen to be so

No governor may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting/hearing should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting/hearing does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the hearing, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the hearing that the committee considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.

Appendix B - Resolution Principles

- Identify areas of agreement
- Clarify any misunderstandings
- Encourage complainants to state what actions they feel might resolve the problem at any stage
- Offering one or more of the following may result in a resolution of the matter:
 - an acknowledgment that the complaint is valid in whole or in part;
 - an apology;
 - an explanation;
 - an admission that the situation could have been handled differently or better (this is not the same as an admission of negligence);
 - an assurance that the event complained of will not recur;
 - an explanation of the steps that have been taken to ensure that it will not happen again;
 - an undertaking to review school policies in light of the complaint.

Appendix C - Procedures for Conduct of the Hearing

Set out below is a procedure that the committee can follow for the conduct of the hearing:

- a) Prior to the hearing, the committee will:
 - nominate a committee chair
 - consider whether the setting is sufficiently informal and whether every effort has been made to put complainants and witnesses at ease; and
 - consider any issues with children being involved in the proceedings.
- b) At the beginning of the hearing the committee chair will:
 - welcome the parties to the hearing;
 - confirm that no committee member has had any previous involvement in the matter;
 - explain the remit of the committee to the parties;
 - explain that the aim of the hearing is to resolve the complaint and achieve reconciliation between the school and the complainant;
 - explain that Stage 2 is the final school based stage of the procedure and no further consideration of the substance of the complaint will be possible; and
 - ensure that all written material has been received and seen by all parties.
- c) The complainant shall explain the nature of her/his complaint and may submit a written statement, to the hearing.
- d) The Headteacher and the committee may question the complainant about the complaint and why it has been made. The headteacher and the committee should bear in mind the Resolution Principles in **Appendix B** and in particular the consideration of which actions the complainant feels may resolve the complaint.
- e) If any investigation report has been produced by the Headteacher (or another person) it will be considered. If the report is produced by a person other than the Headteacher, the person may be present at the hearing and answer questions of clarification for the complainant, the Headteacher and committee. Otherwise the Headteacher will respond to the complaint.
- f) The complainant and the committee may question the Headteacher about her/his response to the complaint.
- g) The committee, the Headteacher and the complainant shall have the right to call witnesses where there are disputes as to the fact. Witnesses are only required to attend for the part of the hearing in which they give their evidence.
- h) The committee, the Headteacher and the complainant shall have the right to question any such witnesses.
- i) If a new issue arises the committee chair should ensure that all parties are given the opportunity to consider and comment on it. If new evidence or witnesses are introduced at the hearing that had not been disclosed before the hearing, or if the complaints are very complex, involving voluminous material, the committee can adjourn the hearing and reconvene at a later date or dates
- j) The complainant may make a final statement.
- k) The Headteacher may make a final statement.
- l) The chair of the committee shall explain that the complaint will now be considered and a decision reached which will be notified to the complainant and the headteacher in writing.
- m) The complainant and the Headteacher will then leave the hearing.
- n) The committee will consider the complaint and the cases made by the complainant and headteacher and:

- decide whether to uphold or dismiss the complaint in whole or in part and the reasons for that decision ensuring that all issues are addressed;
 - make any key findings of fact;
 - decide on any appropriate action to be taken to resolve the complaint; and
 - recommend any changes to the school's systems or procedures to ensure that problems of a similar nature do not recur.
- o) Notification of the decision will be sent to the complainant and to the Headteacher in writing.
- p) The letter sent to the complainant informing her/him of the decision concludes this stage of the procedure.

Appendix E – Policy of Ashmount Primary School in relation to Managing Serial and Persistent Complaints

Ashmount Primary School is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Ashmount Primary School defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the school that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the Headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an '*unreasonable*' marking.

If the behaviour continues, the Headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact Ashmount Primary School causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from [Ashmount Primary School](#).

Appendix F - Complaint Form – Ashmount Primary School

You must make a formal complaint in writing

It is essential that you put the complaint in writing so we have a written record in your own words of what your complaint is and what would resolve it for you.

If you need help with this, you could ask a friend or family member or advice organisations such as the Citizen's Advice Bureau. You might also be able to get help by asking in the school office – there may be a school-home liaison person or some other member of staff who could help you.

If complaining in writing, please complete this form and return to Headteacher or School Business Manager who will acknowledge receipt and explain what action will be taken.
