

Ashmount Primary School Intimate Care Policy

We believe intimate care is any activity such as feeding, oral care, washing, changing clothes, toileting, first aid and medical assistance, comforting and support, and supervising intimate self-care that is required to meet the personal needs of a child regularly or during a one-off incident.

We have a duty to safeguard children and school personnel at all times. We must develop independence in each child but on those occasions when children need assistance they must feel safe, have personal privacy, feel valued, are treated with dignity and respect, are involved and consulted about their own intimate care with school personnel that are specially trained in intimate care procedures.

We treat every child as an individual treating them gently and sensitively as possible.

Aims

- To safeguard the rights of children.
- To safeguard school personnel trained in intimate care procedures.
