Dear Parents and Carers,

A huge thank you to all who attended Thursday's annual Sports Day which was hosted at Finsbury Park Athletics track for children from Year 1 to Year 6, and on site for our Nursery and Reception children. The children had a great day and we had lots of positive feedback from parents. The second element of Healthy Living fortnight will continue next week when children will be looking at healthy eating and making different food types. There are an array of photos later in the newsletter to mark the day but once again thank you to Feven for organising the week but all of you for attending.

I will this week with the newsletter attach our Home Learning documents. For Years 1—6 this will include our termly letter and topic web and then our Maths facts and Spelling and finally our POWER projects which we would like you to complete at home and then bring these into school to share in class. A reminder that we expect all children to read each day for at least 15 minutes but also that all children from Year 3 to Year 6 should be accessing our online platform Times Table Rockstars. For Nursery and Reception there will be our half termly letter and topic web then learning at home linked to phonics and the children's interests.

I am also attaching information from one of our parents about a campaign to save the ice rink that was damaged by flooding at the Sobell centre. If you are interested in getting involved then access the contacts and campaign via the flyers.

I am also re-attaching our Sponsorship sheet and flyer for the Run Islington Run event at Highbury Fields on Sunday 25th June from 10 a.m. until 12 p.m. It would be great if as many children and their families could both get themselves sponsored but also attend the event with us on Sunday 25th. Any monies we raise will be matched by the sponsors of the event so it's a really great way to promote health, have a great morning but also to support the school during a time when finances are incredibly tight for all schools nationally and locally including Ashmount.

Best wishes,

Anthony

Well done children and adults. These classes will on receive an additional 5 minutes playtime one day next week. At Ashmount, we are aiming for at least 97% attendance in each class. Attendance for all pupils is a huge focus with the mantra being:

"Every minute matters , Every second counts"

If you need support with attendance contact Peter, our School Home Support lead, or Katie and Shajia at the school office.

Times Tables Rock Stars

Congratulations to this week's current league table leaders in each year group! In line with our Growth Mind-set philosophy, this charts the biggest improvement in correct scores over the last seven days.
