Dear Parents and Carers,

A few thankyou's to start with!

Firstly, to all of the parents who supported and helped out at Saturday's Summer Fayre—it was a really well attended event and everyone seemed to have a great time. Ashmount Together will let us know what the event made by the end of the week which I will in turn publish in next Friday's newsletter. There will also be a list of prize winners for the raffle—any unclaimed prizes have been safely stored at the school office.

We now also have the fundraising total from the Run Kids Run event which was held last Sunday at Highbury fields. The children who ran raised a whopping £1271.22 which alongside the donation from the organisers of £5,000 means we made a staggering £6,271.22. We will announce the plans for the use of these funds by the end of term so what we purchase can be ready for the new start of year provision in September.

Both these events show the power we have as a school community when we work together to support one another and the school.

On Saturday Year 6 began their Young Apprentice fundraising for their end of term celebrations and I am including a schedule on pages 2 and 3 which lets you know when and where they will be selling their wares. It's always a really popular series of sales so please support if you can. All the groups had to first pitch their ideas to an Ashmount Together parent committee before they were loaned a start up fund to support their initiatives—which they must pay back. It was all very much a Dragons' Den format but the children did amazing well and I hope you enjoy their hard work, initiative and offers over the next fortnight.

A reminder that school will be closed to all classes apart from 2 Blue on Wednesday 5th and Friday 7th July due to the ongoing pay dispute with the NEU teachers union.

Best wishes,

Anthony
