

ASHMOUNT PRIMARY SCHOOL

Dual Meal Offer Consultation Tuesday 7th November 2023

Dear Parents and Carers,

We are today opening our consultation on a proposal to move our school meal offer to a dual meal offer.

Currently Caterlink, our meal provider, offer a freshly cooked non-halal meat option and a vegetarian meal offer each day.

The proposal we are consulting on is that Caterlink would offer both a freshly cooked non-halal meat option, a halal meat option and a vegetarian option each day instead.

Before any such change can take place we must consult with the school community via a series of information meetings, which happened yesterday and an online survey, which is open from now until the end of Monday 13th November at midnight.

I am also attaching a pdf of the PowerPoint I used which explains the proposal and a link to the video of the first information meeting yesterday: <https://youtu.be/OZUjiKBQ8cA>

This year the survey opens today and runs until Friday 10th November at midnight.

This survey outcomes will go to the Governing Bodies Children, Families and Communities Committee where we will look to publish the survey outcomes and any next steps in the school newsletter on Friday 24th November.

The survey link will go out to all parents and there is just one response per parent.

Here is the link to the survey:
