

Dear Parents and Carers,

As we approach the final week of term a few reminders.

Firstly, we will send home the first tranche of class books on Tuesday—books that the children have already completed and then on Friday their current class books. Could I please ask that you send children in with a bag on each day to take their books home. There will be two children from each class for whose books we will keep until the end of the first half term in Autumn, but I will write to those families separately on Monday.

Secondly, a reminder that on Friday we finish school at 1:30 p.m. so please make arrangements to ensure your child is picked up on time. After school club will only run until 4:30 p.m. and there will be no Cape provision until 3:15 p.m.

Year 6 will begin their final week with us and I have included all of their event information on page 12. Year 6 parents are welcome to join us for either Year 6 performance on Tuesday or Wednesday or both!

I will on Monday issue you all with a new class teacher staffing list for the autumn term with photos so you can put names to faces for who will be teaching your child in September.

Finally, can I please ask you to check for all lost property outside the main hall but also to check at home for any school books you may have that we would ask you to return to school so we can put them back in our class libraries and school library!

Best wishes,

Anthony
