

Dear Parents and Carers,

A huge thank you to all our community for your engagement in supporting children with their learning this term. We trust you have a restful half term and look forward to seeing you all after break.

I would like to remind you all that the first Thursday back sees our annual Sport Day as part of our Sports and Healthy living week. We would like to welcome you all to come and join us for the events that are running on that day. Events for Nursery and Reception will be on site and those for Years 1—3 at Finsbury Park Athletics Track in the morning and Year 4—6 at the same venue in the afternoon. It's always a great day so please try to come and join us. Ellie and Ross will send further details the first Monday back at school after half term.

A final plug from last week for Dexter, one of our pupils in Year 5 who has been growing his hair for nearly 3 years in order to donate it to the Little Princess Trust. It will cost £700 to turn his hair into a wig for another child and he and his family would love to raise as close as possible to that amount if they can. Any money raised above this point will be used by the charity to fund further research into childhood cancers or fund wig making for another donor. He will cut and donate his hair around the May half-term holiday.

(The Little Princess Trust provides real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment or to other conditions such as Alopecia. The charity is also one of the largest funders of childhood cancer research in the UK. The Little Princess Trust relies solely on the generosity of its wonderful supporters who help the charity give Hair and Hope to so many children and young people with cancer each year. It would be great if anyone in the community can further support this incredible gesture through the link listed below.

Well done children and parents. These classes will have an extra 5 minutes of play on Monday to mark their attendance last week.

At Ashmount, we are aiming for at least 97% attendance in each class. Attendance for all pupils is a huge focus with the mantra being:

"Every minute matters , Every second counts"

If you need support with attendance contact Nadia, our School Home Support lead, or Katie and Shajia at the school office.

Times Tables Rock Stars

Congratulations to this week's current league table leaders in each year group! In line with our Growth Mindset philosophy, this charts the biggest improvement in correct scores over the last seven days.
