

Dear Parents and Carers,

A few reminders for the next few weeks! Firstly, this coming Tuesday we will start our Tuesday morning class assemblies. On Tuesday it will be 1 Blue who are presenting their learning journey. The dates for the rest of the terms class assemblies can be seen in the third column on this page.

Secondly, a reminder that our first major Ashmount Together event will be our Valentine's Disco, which will take place on Friday 6th February straight after school. Ashmount Together will issue more details about this event at the end of the week, so please look out for promotional details.

A reminder that our main communications app for families is Arbor, and looking down our parent list there are a number of you who aren't currently utilising this. Katie and Millie will be in touch this week to resolve this but it would really help us all if you could check your app functionality.

Finally a reminder about term time leave. As I am sure you are aware that school attendance is essential for children making great progress and good attendance is deemed as children attending for a minimum of 96% during the school year. I can only allow short term absence for specific family circumstances, predominantly around weddings and funerals. We closely liaise with both Islington and the Department for Education nationally around attendance guidance and any family that take a 2 week or more leave of absence will now be fined. I recognise that many community members have family that reside in other countries, as I do. Hence this summer I visited them during the school break. I would similarly request that you utilise the school holidays to do the same.

Best wishes,

Anthony

# Chicken Club!

## What is it?

- Chicken Club is a group of amazing volunteers who help care for the chickens over the weekends.

## Who can join?

- Any families with a child currently attending Ashmount school.

## What do we need to do?

- Looking after our school chickens is like having a mini farm adventure. Children get to feed them, let them out to explore, collect fresh eggs, and help keep their hutch clean, all while learning how to care for animals.

## How often would we have to do it?

- The chickens need care every weekend but weekends are divided up between volunteers. You could do it as often or as little as you would like!

## How do I join?

- If you would like to join or have any questions please contact Amy via your class rep or join the what's app group linked below.

# Take a Book Leave a Book

Our free mini-library is full of exciting books for all readers to read, share, take and enjoy! Thank you to everyone who has added to the Pop-up Book Hut so far.

Here's how it works: **simply take a book, leave a book, or swap a favourite** to keep our shelves full of stories for everyone to enjoy. It's a fun and easy way to discover new books and share ones you've loved.

Next time you're in school, stop by the Book Hut and see what treasures you can find!
