Dear Parents and Carers,

At this time of the year the office team is inundated, understandably, with an array of questions about minor illnesses and infections and whether this means your child needs to stay off school. Katie and Millie have helpfully found this link that may help! I've added it to their page but also as a permanent poster on page 14 of the newsletter.

https://attendancetoolkit.blob.core.windows.net/toolkit-resources/NHS%20guidance%20sheet.pdf?es_c=D951D798E4DB68E93BEBAEC36D7E4F43&es_cl=29519489A184968132ABDB474DA05F67&es_id=ph7%C2%A322

A reminder that this week we have our first major community event of the year - Bring An Adult To School Day. For those who are new to the school this means we

would like an adult family member to come and join us for a creative learning based start of day activity in your child's classroom. We will first meet all family members in the main school hall, where Dionne will explain what we'd like you to support your children to do before we head to the classrooms. There will be tea, coffee and biscuits afterwards in the music room for those of you who can stay and we hope to wrap up the morning by 10:30 a.m.. It's always such an exciting event so it would be great to see as many of you there as possible.

Finally, the termly school Book Fair will start on Friday so if you like to purchase any books for your children then this will take place on the patio area outside of the main hall.

ANNABEL'S INCLUSION CORNER

The Family Group Conference

The Early Help Family Group Conference (FGC) Service provides independent FGC co-ordinators who work with families and professionals to bring them together in a decision making forum called a Family Group Conference (FGC).

The FGC ethos is around empowering children and their families. The emphasis is always on the child and their family and supporting them to make safe decisions.

FGCs focus on where support is within the young person's network and facilitating that network to make a positive contribution toward resolving the issues presented.

FGCs are held in Children's Centres or community venues. They can be held at a time convenient to the family e.g. evenings and Saturdays.

The Family Group Conference:

1. Information Giving stage

Professionals if attending will talk about their concerns for the children and why we are having an FGC. The Children and Young people can express their wishes and feelings (in person or through advocate). At the invitation of the family other professionals can attend such as schools or health visitors.

2. Private Family time

Only family network are present unless a child or vulnerable adult requires an advocate to be there, and the family agree. Family discuss the problems and produce a plan for the children. The coordinator and other professionals are available if the family get stuck or need to ask questions.

3. Agreement stage

The coordinator and professionals join the meeting. Family network presents plan. Coordinator ensures everyone agrees, the plan is **specific, realistic** and relates to the concerns and includes the **child's wishes, and safeguards the child**. Written plan circulated to family/friends and referring professional by the coordinator.

Benefits of a Family Group Conference

FGC process helps the family start the conversation. Opens communication.

Independent coordinator means family will open up. About network, we don't know history, open mind.

Voluntary helps family to feel more in control and take the lead.

Referrer aware of network and dynamics.

Voice of the child is heard.

Plan is relevant to the family because they have made it.

Can prevent escalation.

Please speak to me (Annabel) on the gate if you would like to meet me to discuss your child or email me: annabel.lemoine@ashmount.islington.sch.uk

Deputy Head and Inclusion Lead, Annabel Le moine

SCHOOL COMMUNITY - GET INVOLVED!

Pop-Up Book Hut! Take a Book, Leave a Book

In January 2026, Beyza (Class ? and Reading Lead) introduced a free-for-all, community-led mini library in the waiting area of the main school entrance.

Our bright green hut is full of exciting books for readers of all ages to take home, read, share, swap and enjoy!

How it works:

- help yourself to any books you might enjoy reading. You are free to take books from the pop-up book hut home and you do not have to bring them back. Swap any favourite books you have when you are finished with them with something new to read.
- please donate any books from home that you no longer want to help keep our shelves full of stories. Just leave any donations in the book hut for someone else to enjoy.

"Next time you're in school, stop by the Pop-Up Book Hut and see what treasures you can find!" - Beyza

Join the Ashmount Together (PTA) Fantasy Football League!

If you or your kids love football please join our Ashmount Together Fantasy Football League. There will be prizes for the winners of the league and the cup. We will also recognise the football managers of the month, so get picking your team!

Volunteer with the Chicken Club!

Chicken Club is a group of amazing volunteers who help care for the school chickens over the weekends.

Any families with a child currently attending Ashmount can get involved.

Looking after our school chickens is like having a mini farm adventure. Children get to feed them, let them out to explore, collect fresh eggs and help keep the chicken hutch clean, all while learning how to care for animals..

The chickens need care every weekend, with weekends divided up between our group of volunteers. You can help out as often or as little as you would like!

How to get involved:

If you would like to join or have any questions, please contact Amy (a school parent) via your class rep, or email hello@ashmount-together.co.uk and ask for Amy's contact details and the link to the Chicken Club Whatsapp group.

Join the Ashmount Parent's Band AB ⚡ CD!

The parents band is made up of Ashmount parents who perform once a year for an amazing night of music and fundraising for the school at our annual AB ⚡ CD Parents Band Night!

Any parents can get involved whether you have musical or performance experience or not. We welcome all instruments and singers, there's a place for everyone.

Come along to a rehearsal (usually in the evening in the school or at a local venue or studio) to meet the band, have some fun and get involved.

How to join the band:

If you would like to join or have any questions, please contact Rhiannon via your class rep, or email hello@ashmount-together.co.uk and ask for Rhiannon's contact details and the link to the AB ⚡ CD Parents Band Whatsapp group.

Our purpose is to bring the Ashmount School community together whilst raising vital funds for the school to help enrich our children's education, improve their school experience and enhance the school building for their benefit and enjoyment.

We are always on the look out for support and volunteers!

Is my child too ill for school?

UK Government

Does your child have a high temperature (38°C or more)?

YES

Keep them off school until it goes away.

NO

Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.	Cold sores Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels. Conjunctivitis Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.	Impetigo They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.	Ear infection If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away. Measles They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.
Threadworms Speak to your pharmacist, who can recommend a treatment.	Head lice & nits You can treat head lice and nits without seeing a GP. Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly. Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.	Scarlet fever They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics. Chickenpox Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	Vomiting & diarrhoea Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.
